

## Israel Greene

J Israel Greene, LSSGB is the Founder and Owner of Greene Consulting Group (GCG) and an International Keynote Speaker.

GCG is a boutique consulting firm committed to helping companies transform their company culture. With a focus on Diversity, Equity & Inclusion and Leadership development, GCG leverages their proprietary framework to ensure companies are implementing global best practices and are fully equipped to handle the everchanging landscape around DE&I strategy.

Greene is a Professional Speaker, Certified Diversity Executive candidate, and Leadership Trainer & Coach. In addition to being the founder of GCG, he is also a Senior Consultant with Envisioning Equity and a contributing member to “A World Without Suicide.” He has been listed as one of the “Top Ten Trending DE&I Training Experts” by All American Entertainment.

As well as leading GCG, he is a certified member of The John Maxwell Team, he is also a Certified International DiSC Practitioner, and holds a Bachelor’s degree in Organizational Management from University of Arizona Global, along with a Six Sigma Green Belt Certification from Purdue University.

For the past twenty years, Greene has held a variety of leadership positions in companies ranging from startups to Fortune 500 including serving as a Global Director for one of the industry’s fastest growing E-commerce Consulting firms, leading cross-functional teams distributed across North America and Europe.

His background, knowledge, and leadership experience make him a highly sought-after Speaker, Trainer, & Coach. As a Certified Diversity Executive (CDE) candidate, he is extremely passionate about helping leaders transform their company culture by fostering a diverse landscape, creating equitable opportunities, and promoting inclusion so they can become the organization they have always imagined.
